Please Note:

This printing service is not professional service that controls colour codes and quality prints. Prints done are on standard basic 80gr paper. Colour variants may occur and printing quality may vary depending on file quality. All artwork must be supplied ready to print either single side or double side. No adjustments will be made. Agents must understand that this is basic printing service and not meant for commercial printers. Please enquire regarding delivery or collection of printed goods. Prices may change without notice. Please note that Agents must confirm price before finalising Print Order. Payment must be received in full before Print Order can be done. E & O excluded. T's & C's Apply
